**\*GUESTS** - Some of our members want to bring an adult guest with them on each visit — here's our solution. Leave one of the adults on your membership unnamed and bring a guest with you on every visit. Please note that a separate physical guest card is not issued and that by leaving an adult unnamed, our staff will know that you have chosen the guest option. A named cardholder must be present for your guest to be able to enter the Park at no additional cost. This option is available for Dual and Family Plus memberships only.

**DO YOU HAVE A CARETAKER?** If your nanny, caretaker, or unnamed adult visits the Park with a membership card that does not have at least one named member present, the entire party — including children — will be required to pay for admission. For this reason, we suggest you name the caretaker as the third person on the Family Plus membership.

**Please allow up to two weeks to receive your membership pass in the mail.** You may visit the park and enjoy all membership privileges prior to receiving your pass simply by printing and showing your membership voucher at the admissions window. You may also display your confirmation voucher on a mobile device.

For questions regarding memberships, please email the Membership Office or call us at 928.567.2840

Out of Africa Wildlife Park does not sell or otherwise make available its mailing list to other organizations.
